## EDUCATIONS

**Brawijaya University | Computer Science Major**
2022 - Present

**Temanggung Senior High School 1**
2019 - 2022

## SUMMARY

I am an undergraduate Computer Science student at Brawijaya University with a strong passion for programming and software development. My goal is to become a professional programmer who not only writes clean and efficient code but also builds meaningful and impactful solutions. I am constantly seeking opportunities to learn new technologies, improve my skills, and contribute to realworld projects. You can explore some of my academic work and personal projects on my GitHub.

## EXPERIENCES

**Backend Developer & IT Support**                                     **July 2024 - August 2024**
